Be Creative at Home!

A Night at the Ballet –
Create your own fascinator at home

What you need:

- a pair of scissors
- netting
  (you can use netting from mandarins, oranges, onions etc.)
- tape
- ribbon
- a hairclip

**Step one**: Cut the netting into a rectangle.

Step two: Fold the longer edges on both sides of the rectangle to the centre

Step three: Fold the shorter edges of the rectangle towards the centre

Step four: scrunch up the middle of the small rectangle you have created

## Step five: use tape to fix the middle part, now you have your bow shape

Step six: cut a piece of ribbon long enough to put it around the bow twice and to tie it twice. Then tie it in a double knot around the bow at the back of the bow
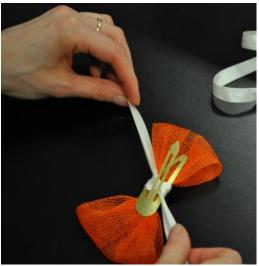

**Step seven:** Open the hairclip and slide it between the two knots. Tie the knot tightly

Step eight: Turn the fascinator around and fold the loose ends of the ribbon in half and cut the ribbon diagonally

Step nine: your fascinator is finished – wear it!
