

Burlington Gardens

In 2018 Burlington Gardens will re-open following a major redevelopment, with brand new galleries to share the treasures from the RA Collections and artwork by contemporary artists, as well as a double-height Lecture Theatre giving a new stage to the RA's heritage of rigorous and lively debate.

The RA Collections Gallery will showcase iconic artworks from the RA Collection and will provide a unique entertaining opportunity for breakfasts and evening events. This can be combined with a private view of the current exhibition in the brand-new Gabrielle Jungels-Winkler Galleries.
