

Unconditional Love

Marina Abramović

In this turbulent moment of human history, living on this planet, I invite you all to stop whatever you are doing and stand with me – united, in stillness and togetherness.

In this way, we will create a chain of energetic connections. Like the stone thrown into the water, creating ripples that extend far beyond the stone itself. We too can create and spread a strong energetic vibration. The larger the stone, the greater the ripples. The larger the crowd, the more powerful the energy.

I invite you to join me in creating positivity and love for all humans on this planet. This love comes from within ourselves. If we change ourselves, we can change thousands.

Regardless of your race. Regardless of your religion. Regardless of your nationality. Regardless of the language you speak. We are all the same human beings living on this tiny blue planet we call home.

Let's create a waterfall of positive energy full of love.

I invite everyone to join me in closing your eyes and gently placing your hand on the shoulder of the person standing next to you. For seven minutes,

I invite you to be silent and concentrate on giving unconditional love to your neighbour.

And now, I invite you to join me in reciting this mantra:

TOGETHER WE ARE SPREADING A STRONG
ENERGETIC VIBRATION

WE ARE TRANSFORMING NEGATIVITY

WE ARE INVITING POSITIVITY

WE ARE FALLING IN LOVE WITH OUR PLANET

WE ARE FALLING IN LOVE WITH OUR PLANET

WE ARE FALLING IN LOVE WITH OUR PLANET

TOGETHER WE ARE LEARNING TO LOVE ALL
HUMAN BEINGS

TOGETHER WE ARE LEARNING TO LOVE ALL
HUMAN BEINGS

TOGETHER WE ARE LEARNING TO LOVE ALL
HUMAN BEINGS

UNCONDITIONAL LOVE WILL CHANGE US

UNCONDITIONAL LOVE WILL CHANGE US

UNCONDITIONAL LOVE WILL CHANGE US

TOGETHER WE WILL CHANGE THE WORLD

TOGETHER WE WILL CHANGE THE WORLD

TOGETHER WE WILL CHANGE THE WORLD
